Test Results

Testing Summary

The AI Learning Assistant was tested on multiple learning scenarios.

Functional Testing

Module	Status
Streamlit UI	Pass
User Details	Pass
Emotion Detection	Pass
BERT Prediction	Pass
BiLSTM Prediction	Pass
Gemini AI Response	Pass
Session History	Pass

Performance

- Response Time : Less than 5 seconds
- Prediction Accuracy : High
- UI Responsiveness : Good

Conclusion

The application successfully passed all functional tests and produced accurate emotion predictions with personalized AI-generated learning guidance.
